

Map to find us

The Criterion Partnership offices are nestled in the bosom of the bohemian and vibrant Brighton North Laine area, close to Brighton Railway station with its extensive rail links to London and the West Country. We recommend that all visitors to Brighton travel by rail where possible, since Brighton's roads are both busy and labyrinthine.

Criterion Partnership by rail

By far the best way to reach our office is by train since we are only a 5 minute walk from Brighton station. Brighton station is connected to London Victoria and London Bridge via Thameslink. If arriving by rail, leave the station and walk down Queens Road towards the sea front. The first road on the left is Gloucester Road and you should walk down this with the Pond Pub on your right. Criterion Partnership is on the other side of the road a few metres down - look out for the hanging sign.

Criterion Partnership by road

If you need to travel by car please call us in advance so we can reserve a parking space for you in our car park.

From the East/West on the A27

- When approaching Brighton on the A27 from the west, turn off at the Devil's Dyke junction signposted Brighton & Hove.

- At the roundabout take the first left for Brighton.
- Continue down this road (Dyke Road) to Seven Dials roundabout and take the second left following the signs to the Railway Station.
- As you come round in front of the Station onto Queen's Road, take the second set of traffic lights on the left into North Road.
- Take the 3rd left into Queen's Gardens. Continue along to the end and take a sharp left and immediately right into Trafalgar Lane.
- The car park is immediately on the left just before Builders Merchants (Travis Perkins). Please park in a space marked 'Criterion'.

From London and all points north M23/A23

- When travelling to Brighton on the M23/A23, leave the A23 at the exit signposted Worthing and follow the signs for A27 west to Worthing. Do not take the eastbound route as this will take you to Lewes and Eastbourne.
- You should take the left-hand lane going up the hill and you will see a sign for Brighton and Hove.
- This brings you to the roundabout mentioned above and then continue as indicated from point 2 above.

Once you have parked the car, come back out onto the road and turn right. The Criterion offices are 20 metres up the hill on the right hand side, just before the Pond Pub (on the left). The Criterion Partnership sign is hanging on the wall above our door.
